Dear Paul

Re: Refurbishment of existing offices to classrooms and toilets at Five Acre Wood School

Further to the above work which was undertaken during the school holidays in August 2012, on behalf of Kent County Council at our school, I should like to place the following on record:

- The contract was completed in a thoroughly professional and competent manner.
- Your staff were extremely efficient and helpful, and completed the work in a most diligent manner.

Should you wish to pass on my comments to any prospective clients, please feel free to do so.

Alternatively, pass on my name and telephone number and I will quite happily give them a verbal reference.

One again many thanks for your endeavours on such a tight time scale.

Yours sincerely
