Dear, Mr. Hughes

RE: REFERENCE LETTER

I am happy to provide you with a reference letter as per your request.

Dogs Trust and Abbott Construction have been partnering in construction contracts for the past 15 years.

Over that period of time we have successfully completed four major projects at Dogs Trust centers in Chestfield, Shoreham by Sea and Basildon and are commencing Phase 2 of a major rebuild of our centre in Newbury.

Due to the previous good experiences we have had of working with Abbott Construction, we have had the confidence and comfort to negotiate all of these major projects, knowing that the result will be a project finished on time, on budget and built to the highest construction standards.

Abbott Construction provides exemplary pre and post contract commitment to the projects from their whole team and this has been commented on by members of my professional team.

I would have no hesitation in recommending Abbott Construction to any future client and I am looking forward to working with Abbott Construction on future Dogs Trust projects.

Yours sincerely,

Paul Wass
